Asian/Asian American Pacific Islander Faculty and Staff Caucus Office of Research and Economic Development (ORED)

The Asian/Asian American Pacific Islander (A/AAPI) Faculty and Staff Caucus and the Office of Research and Economic Development (ORED) will conduct a workshop for faculty whose research involves international collaboration. Join us and learn more about the complex issues and regulations governing intellectual property. The workshop will also provide information on the “China Initiative” and explain the rules for faculty compliance to protect their research. Speakers include:

Samuel Bentley (Vice President, ORED)

Stephen Beck (Associate Vice President, ORED)

Samba Dieng (Executive Director, Office of International Programs)

Johanna Posada (Assistant General Counsel, Legal Affairs and General Counsel for LSU)

Please email Asian-AAPI@lsu.edu if you have any questions about the workshop.
